

**J. ROCKETT AUDIO DESIGNS**

## Controls

- **Level:** Controls the overall output.
- **Gain:** Controls the overall gain.
- **Gunk:** Goes from smooth OD to a complete, musical mess with all sorts of horn sounds in-between.

## Settings

The Hooligan is the Tour Series version of the WTF Fuzz but with some tonal tweaks and made to be simple in every way. We wanted this pedal to really inspire players, which can be hard to do with a fuzz pedal. The Hooligan blooms and feeds back, creating all sorts of textures. You can go from a very smooth, Rat type overdrive to the famous Trombetta horn sounds. We feel like we have dialed in the perfect warmth versus the typical, strident sound of a fuzz pedal. The Hooligan is very musical and fun to play!

All J. Rockett Audio Designs pedals operate off of the standard BOSS type 9 volt adapter or a single 9 volt battery. The power input is a 5.5 mm x 2.1 mm jack with the positive voltage on the outer sleeve. Using an external power supply will automatically disconnect the battery. Disconnect the input jack to preserve battery life when not in use or when not used with an appropriate, external power supply.

**NOTE:** *The transistors in this pedal take some time to break in. As they do, the pedal will continue to sound better.*

2.1mm x 5.5 mm tip/negative plug

## Warranty

J. Rockett Audio Designs LLC will repair or replace, at its discretion, defective workmanship or materials on all new J. Rockett Audio Designs products directly or through the selling dealer or an authorized service technician for one year from the date of purchase at no cost to the original purchaser. Repair and replacement parts installed will be warranted for the unexpired portion of the original warranty term.

Before sending a product in for repair, please contact us at [chris@rockettpedals.com](mailto:chris@rockettpedals.com) or [jay@rockettpedals.com](mailto:jay@rockettpedals.com) or call us at 760-419-1345.

This warranty does not cover shipping costs, product appearance or damages caused by accident, abuse, misuse or alteration. A dated sales slip or order number (issued by a tech, dealer or J. Rockett Audio Designs) must accompany a product being returned for warranty service. Repairs without a return authorization number will be refused. Please allow four (4) weeks for warranty service. For more information please contact J. Rockett Audio Designs via our website at [www.rockettpedals.com](http://www.rockettpedals.com) or call us at 760-419-1345. No other warranty is expressed or implied.
